2. Communications with [REDACTED] will be by regular agency cable and pouch and will follow standard procedures. All such communications will be coordinated with the Field Coordination Staff.

3. Intelligence support will be provided by the individual offices as appropriate. Individual responsibilities established to date include:

a. National Estimates and schedules, work plans, etc., relating to these estimates - O/NE;

b. Daily Situation Report Cable and DD/I Newsletter - Field Coordination Staff;

c. Current Intelligence Weekly, Current Intelligence Digest and Current Intelligence Handbooks and Revisions - OIS/RQM/PI;

d. ORR and OSI reports - individual reports will be selected by the office concerned or by FCS;

e. Miscellaneous publications - screened and sent by FCS.

4. The value of this liaison to an individual office, division, or branch will depend to a great extent on whether or not [REDACTED] is aware of current substantive problems and on whether specific requirements are placed on him.
